

Dear special issue editors,

I have attached the requested revision for my article, "Kingdom Culture: Zombie Growth and Netflix Korea." Let me here express my gratitude for the extremely insightful and thorough reader reports that I received. Because this submission was invited because of my participation in a conference, I did not have as much time as I usually might in developing this article. I am thus very grateful to the reviewers who delivered extremely detailed and helpful suggestions for revisions. I tried to address all of the issues mentioned in both reviews. As per your request, I highlighted the most substantive of the changes in the paper in yellow. But, let me also add that there are also a lot of other changes, mostly organizational, that the reviewers comments made me see were necessary.

I am grateful for the opportunity to participate in this project. Please let me know if anything further is required from me.

Sincerely,
Article Author
